

Hello Parents

We are thrilled to announce that we are launching a new and exciting program called HiMama!

### **What is the HiMama program?**

HiMama will be used by our educators and administration to record activities and updates throughout the day. Everything from naps to snacks, highlights of the day or week, it will complement the day to day chats about your child's experience in our program. It will also keep you up to date on "What's Happening in Beatty Buddies Daycare"

It will be used to share important daycare information to Beatty Buddies' parents such as:

- naps, snacks, lunches, review as needed/requested in rooms 10, 33 or 34
- changes or revisions to program schedule
- Highlights of the day or week
- new fee notices
- notice of an immediate emergency that the daycare staff and children required relocating due to a gas leak or fire in the school and important details including that your child is safe
- notice that the daycare is closed because of severe weather conditions

Whether it be at work, home or on the go, through HiMama's mobile apps, you will receive real-time Beatty Buddies Daycare information to your email and smartphone.

### **Is there anything I have to do?**

Beatty Buddies Staff will request that you review the email and cell phone information that we have on file. Please ensure that the information we have is kept up to date. You can expect to receive an invitation to log in from HiMama soon! At that point you can create an account.

### **Where do I go to learn more?**

Want to learn more? Great! You can ask the staff or visit the [HiMama website](#) where you can find HiMama's page dedicated to [Internet Safety](#), an [FAQ](#) page with answers to frequently asked questions, as well as a [Contact Us](#) page if you have specific questions.

Please watch for posters in the daycare for when HiMama is ready to be launched. (anticipated last week of February).
